Dear Brother

I got your very
nice letter & am deeply
glad to hear you keep
so well, what a blessing
good health is, it sure
is nice to have a daughter
like you have. I'm in the
same boat as you, I'm living
with my daughter & I sure
have a wonderful home
& Bill is just as good to me
as Ann. & he is as good to Ann
now I'd be happy to know
that she has a good husband
when my time comes to go. If
the Lord called me to have

Q So I leave 2 hrs behind it
would be terrible, the Lord
always knows what is best.
I'm so glad you have such
good health, I don't feel too
good. I have a lot of
trouble with my Stomach
so many things I can't eat.

guess I inherit it, mother
was the same, I'm glad
Lion is so much improved
poor soul, had an awfull
time, I don't know if I told
you that Sarah was here
for a week, & I think she
is coming on again in Aug,
all the family. (her daughter

I Husband & their daughter)
have a 5 week Vacation & she
would be in the house all
alone, as Lin hoping she'll come
with them, its a long & a very
expensive trip, over 100 dollars by
Plane, I sure would love
to see you again, & I think
you'd stand the trip. Your
health is good, no reason why
you couldn't stand it. How is
Max & family, I hope they
all keep well. I mean all
your family. Well now I
think I'll close & say God
bless you all & give my love
to Violet, & all the rest & esp-
ecially Max. Love from all
your sister - Lizzie
